

«KSTU News» journal

Editors

№	Full name	Affiliation with the national academy of sciences, academic title, academic degree	Place of work, position
1.	Antipov Sergey Tikhonovich	Doctor of Engineering	Voronezh State University of Engineering Technologies, professor of the Department of Food Manufacturing Machines and Equipment
2.	Beley Valeriy Feodosievich	Doctor of Engineering, professor	Kaliningrad State Technical University, Head of the Department of Power Engineering
3.	Bulatov Oleg Arkadievich	Doctor of Biology, professor	Russian Federation Research Institute of Fishery and Oceanography (VNIRO), Director for Science
4.	Kriksunov Evgeniy Arkadievich	Corresponding Member of the Russian Academy of Sciences, Doctor of Biology, professor	Lomonosov Moscow State University, Head of the Laboratory of Ontogenesis of the Department of Ichthyology
5.	Panfilov Viktor Aleksandrovich	Member of the Russian Academy of Sciences, Doctor of Engineering, professor	Russian State Agrarian University-K.A.Timiryazev Moscow State Agrarian Academy, professor at the Department of Processing Plants Processes and Equipment
6.	Timofeev Oleg Yakovlevich	Doctor of Engineering, professor	St. Petersburg State Marine Technical University, Dean of the Faculty of Shipbuilding and Ocean Engineering
7.	Mirosław Szreder	Doctor of Economics, professor	University of Gdansk (Poland), Dean of the Faculty of Management
8.	Yurov Artyom Valerievich	Doctor of Physics and Mathematics, professor	I.Kant Baltic Federal University, Director of the academic cluster «High-tech institute»
9.	Marek Jakubowski	Doctor of Engineering, professor	Sea Fisheries Institute (Gdynia, Poland) Professor of the Department of Processing and Mechanization Technology

Editorial board

Section «Biology, ecology and fishery»

Editor: Shibaev S.V.

Members: Arkhipov A.G.; Barkova A.S., Bedareva O.M.; Verkhoturov V.V., Lyabzina S.N., Naumenko E.N.

Section «Processes and devices of food production facilities»

Editor: Fatykhov Yu.A.

Members: Ageev O.V.; Andreev M.P.; Babich O.O.; Dyshlyuk L.S., Kriger O.V.; Mezenova O.Ya.; Naumov V.A.; Ulrikh E.V.

Section: «Shipbuilding, machinebuilding and power engineering»

Editor: Velikanov N. L.

Members: Aleksandrov I.S., Beley V.F.; Gerasimov A.A.; Gnatyuk V.I.; Gramuzov E.M.; Dyatchenko S.V.; Pritykin A.I.; Sutyryn V.I.; Fyodorov S.V.

Section «Agriculture and environmental management» (included in Agris)

Editor: Bedareva O.M.

Members: Antsiferova O.A.; Muromtsev A.B.; Barkova A.S.; Shibaev S.V.; Naumov V.A.

Section «Natural and mathematical sciences»

Editor: Sinyavskiy N.Ya.

Members: Bryukhanov V.V.; Korneva I.P.; Snytnikov A.V.; Tristanov A.B.; Slezhkin V.A.

Section «AIC economy and management»

Editor: Mnatsakanyan A.G.

Members: Ivanov A.V.; Sergeev L.I.; Stepanova T.E.; Dorofeeva V.V.

Editorial board

№	Full name	Affiliation with the national academy of sciences, academic title, academic degree	Place of work, position
1.	Ageev Oleg Vyacheslavovich	Doctor of Engineering, associate professor	Kaliningrad State Technical University, associate professor at the Department of Process Equipment Engineering
2.	Aleksandrov Igor Stanislavovich	Doctor of Engineering, associate professor	Kaliningrad State Technical University, director of the Institute of Marine Technologies, Power Engineering and Construction
3.	Andreev Mikhail Pavlovich	Doctor of Engineering, senior researcher	Kaliningrad State Technical University, professor at the Department of Food Products Technology
4.	Antsiferova Olga Alekseevna	Doctor of Agricultural Sciences, associate professor	Kaliningrad State Technical University, associate professor at the Department of Agronomy and Agroecology
5.	Arkhipov Aleksandr Geraldovich	Doctor of Biology, associate professor	Atlantic Branch of VNIRO, research coordinator
6.	Babich Olga Olegovna	Doctor of Engineering, associate professor	I.Kant Baltic Federal University, director of the Institute of Living Systems
7.	Barkova Anna Sergeevna	Doctor of Veterinary Sciences, associate professor	Kaliningrad State Technical University, head of the Department of Manufacturing and Quality Examination of Agricultural Products
8.	Bedareva Olga Mikhailovna	Doctor of Biology, professor	Kaliningrad State Technical University, head of the Department of Agronomy and Agroecology
9.	Beley Valeriy Feodosievich	Doctor of Engineering, professor	Kaliningrad State Technical University, head of the Department of Power Engineering
10.	Bryukhanov Valeriy Veniaminovich	Doctor of Physics and Mathematics, professor	I.Kant Baltic Federal University, leading researcher at the REC «Fundamental and Applied Photonics. Nanophotonics»
11.	Velikanov Nikolay Leonidovich	Doctor of Engineering, professor	Kaliningrad State Technical University, head of the Department of Shipbuilding, Ship Repair and Marine Engineering
12.	Verkhoturov Vasiliy Vladimirovich	Doctor of Biology, professor	Kaliningrad State Technical University, director of the Institute of Agricultural Engineering and Food Systems
13.	Gerasimov Anatoliy Alekseevich	Doctor of Engineering, professor	Kaliningrad State Technical University, professor at the Department of Construction
14.	Gnatyuk Viktor Ivanovich	Doctor of Engineering, professor	Kaliningrad State Technical University, professor at the Department of Power Engineering
15.	Gramuzov Evgeniy Mikhailovich	Doctor of Engineering, professor	R.E. Alekseev Nizhny Novgorod State Technical University, professor at the Department of Shipbuilding and Aviation Technology
16.	Dorofeeva Viktoria Vyacheslavovna	Doctor of Economics, professor	Kaliningrad State Technical University, head of the Department of Management
17.	Dyshlyuk Lyubov Sergeevna	Doctor of Engineering, associate professor	Kaliningrad State Technical University, professor at the Department of Food Biotechnology
18.	Dyatchenko Sergey Vasilievich	Doctor of Engineering, associate professor	Kaliningrad State Technical University, professor at the Department of Shipbuilding, Ship Repair and Marine Engineering

19.	Ivanov Aleksandr Vadimovich	Doctor of Economics, professor	RANEPA western branch, adviser director
20.	Korneva Irina Pavlovna	PhD in Engineering, associate professor	Kaliningrad State Technical University, professor at the Department of Physics
21.	Kruger Olga Vladimirovna	Doctor of Engineering, associate professor	I. Kant Baltic Federal University, professor at the Institute of Living Systems
22.	Lyabzina Svetlana Nikolaevna	Doctor of Biology, associate professor	Petrozavodsk State University, professor at the Department of Zoology and Ecology
23.	Mezenova Olga Yakovlevna	Doctor of Engineering, professor	Kaliningrad State Technical University, head of the Department of Food Biotechnology
24.	Mnatsakanyan Albert Gurgenovich	Doctor of Economics, professor	Kaliningrad State Technical University, director of the Institute of Branch Economics and Management
25.	Muromtsev Aleksandr Borisovich	Doctor of Veterinary Sciences, professor	Kaliningrad Institute of Agribusiness Retraining, interim rector
26.	Naumenko Elena Nikolaevna	Doctor of Biology, associate professor	Kaliningrad State Technical University, professor at the Department of Water Bioresources and Aquaculture
27.	Naumov Vladimir Arkadievich	Doctor of Engineering, professor	Kaliningrad State Technical University, professor at the Department of Technosphere Safety and Environmental Management
28.	Pritykin Aleksey Igorevich	Doctor of Engineering, associate professor	Kaliningrad State Technical University, professor at the Department of Construction
29.	Sergeev Leonid Ivanovich	Doctor of Economics, professor	Kaliningrad State Technical University, head of the Department of Economic Theory and Instrumental Methods
30.	Sinyavskiy Nikolay Yakovlevich	Doctor of Physics and Mathematics, professor	Kaliningrad State Technical University, head of the Department of Physics
31.	Slezhkin Vasiliy Anatolievich	PhD in Chemistry, associate professor	Kaliningrad State Technical University, associate professor of the Department of Chemistry
32.	Snytnikov Aleksey Vladimirovich	Doctor of Engineering, professor	Kaliningrad State Technical University, professor at the Department of Applied Informatics
33.	Stepanova Tatiana Evgenievna	Doctor of Economics, professor	Kaliningrad State Technical University, head of the Department of Economic Safety
34.	Sutyurin Valeriy Igorevich	Doctor of Engineering, associate professor	I.Kant Baltic Federal University, professor of the academic cluster «High-tech institute»
35.	Tristanov Aleksandr Borisovich	PhD in Engineering, associate professor	Kaliningrad State Technical University, director of the Institute of Digital Technologies
36.	Ulrikh Elena Viktorovna	Doctor of Engineering, associate professor	Kaliningrad State Technical University, deputy director for scientific and international activity of the Institute of Agricultural Engineering and Food Systems
37.	Fatykhov Yuriy Adgamovich	Doctor of Engineering, professor	Kaliningrad State Technical University, head of the Department of Process Equipment Engineering
38.	Fyodorov Sergey Vasilievich	Doctor of Engineering, professor	Kaliningrad State Technical University, head of the Department of Theory of Mechanisms, Machines, and Machine Parts
39.	Shibaev Sergey Vadimovich	Doctor of Biology, professor	Kaliningrad State Technical University, head of the Department of Water Bioresources and Aquaculture
