6 steps if you want to study at KSTU

- Choose an educational program.
- Determine the amount of the state final exams you need to pass and learn about the minimum scores
- Collect the documents
- Submit documents: in person at the admission office, through the Unified Portal of State Services: "Admission to a University Online," through post services.
- Pass the entrance tests of KSTU if you have a vocational education diploma.
- Watch the rating lists carefully. Important: submit the original education document on time.

Documents for admission to bachelor and specialist degree programs

- Passport or other ID;
- Insurance number;
- Medical certificate 086-u (if necessary);
- Document of education (secondary school certificate or diploma) and its supplement.
